The Sunshine Foundation is a national charitable organization established to help fulfill the dreams and wishes of terminally ill, chronically ill, physically challenged and abused children.

Since its inception in 1976, Sunshine has established 12 volunteer chapters in 7 states and raised over 24 million dollars for these worthy children. All funds raised go directly to Sunshine, which provides 83.7% in direct benefits to these special children. For more information go to www.sunshinefoundation.org.

The Southern Ocean County Chapter has sponsored a local child for the past few years. Since our local chapter was formed in 1998 we have GIVEN over $270,000.00 to the kids. Everyone affiliated with this fishing seminar is an unpaid volunteer of the Southern Ocean Chapter of the Sunshine Foundation.
