ABOUT THE SUNSHINE FOUNDATION

The Sunshine Foundation is a national charitable organization established to help fulfill the dreams and wishes of terminally ill, chronically ill, physically challenged and abused children.

Since its inception in 1976, Sunshine has established 12 volunteer chapters in 7 states and raised over 24 million dollars for these worthy children.

Everyone affiliated with this fishing tournament is an unpaid volunteer of the Southern Ocean Chapter. All funds raised go directly to Sunshine, which provides 83.7% in direct benefits to these special children.
