

General Trout Information

2009 REGULATIONS

This is not the full law. Consult the Division of Fish and Wildlife for further details. All persons are reminded that the statutes, code and regulations are the legal authorities. Red text indicates a regulation change.

2009 General Trout Fishing Information

- Opening day of trout season: April 11, 2009 at 8 a.m.
- When fishing from the shoreline, no more than three fishing rods, hand lines or combination thereof may be used.
- A valid fishing license and trout stamp are both required for residents at least 16 years and less than 70 years of age plus all non-residents 16 years and older.
- Ponds, lake or sections of streams which are stocked with trout are **closed to fishing for all species** from March 23 to April 11 at 8 a.m. **Exceptions:** Lake Farrington, Lake Hopatcong, Lake Shenandoah, Prospertown Lake and Swartswood Lake are open year round to fishing. However, all trout caught during this period (above) must be released immediately. Seasonal or Year-round Trout Conservation Areas and designated Holdover Trout Lakes (see pages 19–20) are also open to fishing but are catch-and-release only for trout. Fishing is not permitted on seasonal trout conservation areas from 12:01 a.m. to 8 a.m. on April 11, 2009.
- Trout stocked waters are open to fishing beginning April 11, including the days they are stocked **unless** listed with closures on page 18.
- Only one daily creel limit of trout may be in possession. Once the creel limit is reached, an angler may continue to fish provided any additional trout caught are immediately returned to the water unharmed.
- Separate stringers or buckets must be used for each angler's catch.
- Containers in boats may hold only the combined daily creel limit for each legal angler on board.
- Fish and Wildlife reserves the right to suspend stocking when emergency conditions prevail.

Spring Trout Stocked Waters With No In-Season Fishing Closures

After opening day these waters may be fished on the day they are stocked.

Note: The number in parentheses indicates the anticipated number of in-season stockings (from April 11 through May 29). A zero indicates the water will only be stocked pre-season (the three-week period preceding opening day). For details on what's being stocked and when, call the Trout Hotline at (609) 633-6765. This recorded message is updated weekly. (Spring stocking: April–May; Fall stocking: October; Winter stocking: November.) Or visit our Web site at www.NJFishandWildlife.com where you will also find directions to public-access portions of trout-stocked waters.

Atlantic County

Birch Grove Park Pond—Northfield (4)
Hammonton Lake—Hammonton (4)
Heritage Pond—Absecon (3)

 Roaring Rock Brook—Brass Castle, entire length (2)
 Trout Brook—Hackettstown, entire length (2)
 Trout Brook—Hope, entire length (2)
 White Lake—Hardwick (1) 

ACCESSIBILITY ■ Accessible Fishing Sites

For people with disabilities, visit:
www.NJFishandWildlife.com/sites.htm

An Accessible Fishing Sites list is available to assist anglers whose mobility is impaired.

All sites are wheelchair-accessible except for the Musconetcong River in Morris County, where vehicle access is to the shoreline.

▶▶ WE NEED YOUR COOPERATION!

The New Jersey Division of Fish and Wildlife has stocked brown trout in the lower Manasquan River, Monmouth County. Anglers are asked to report all catches of brown trout that exhibit characteristics of a sea run. These fish tend to develop a more silvery coloration, masking most of the body spots after an extended time in salt water.

Sea Run Brown Trout

The future of this program depends on these fish being reported.

Call Pequest State Fish Hatchery (908) 637-4173 or
 Lebanon Field Office (908) 236-2118.
